STEP BY STEP

1. Hydrate and prepare skin with Prep + Prime SPF Protect 50 and a light layer of Studio Moisture Cream.
2. Begin shading the face with Frankly Scarlet Powder Blush and highlighting with Gesso Eye Shadow, use Brushes #109 and #217 for a precise application of color.
3. Continue to deepen contours of Frankly Scarlet with Carbon Eye Shadow, and Brush #217.
4. Use Boot Black Liner to draw details of brow, nose, cheek, lips, and eyelining effects. Follow creating shadows with Carbon Eye Shadow and Brushes #213 and #219.
5. Use Brush #217 to apply Electric Eel Eye Shadow over the brows through the temples, and Brush #228 to create details on the mouth and teeth.
6. Create teeth and fangs with Lip Erase, Lipmix and Black Knight Lipstick.
