I, Lyglenson Lemorin, voluntarily make the following statement to SA William Strausser FBI, SA Jason Miller FBI, and SA Will Bolton. There have been no threats or promises made to me. This statement is just a summary of what I told SA's Strausser, Miller, and Bolton and is not all inclusive.

My name is Lyglenson Lemorin, 01/12/1975, SSAN

I have known Brother Naz for about 1 1/2 years. I was part of a group called the Moorish Science Temple that took an oath of allegiance to Al Qaeda. I was present when John gave Brother Naz a video camera to film target locations (Federal Buildings & Tower building) in Miami, FL and Chicago, IL to destroy. I attended martial arts and military discipline (marching) training at the warehouse (church) in Miami, FL and at public parks in Florida.

The above statement is true to the best of my knowledge. I have made this statement freely and voluntarily. I have read this statement, I understand it, and it is accurate. I have nothing more to add at this time.
