MAY - 5 2008

I John H. Muhammad write this letter of mine own free will - and with the full knowledge of the people that use to ~~be~~ mine lawyers - for mine federal appeal (I said use to because I've told them that I do not want them to represent me any more for no reason at all) I've asked them before I told them that I do not want nor need them to represent me any more - to inform you'll that I'm waiving all mine rights to any more appeal - and I've asked them not to put any federal appeal in for me - so if they have it have been done against mine will - and so now I'm asking that it (the appeal) be with-draw now - I've also asked them for the right addresses so that mine letter will get to the right people - but they have not given it to me - so I've written to you'll all because I know you'll will make sure that this letter will get to the right people - so that you'll can murder this innocent Black man
