### NARRATIVE OF INCIDENT/ACTIVITY

In the late hours of October 10, 2013, officers with the Jalisco State Police engaged in a shooting with members of the Cartel de Jalisco Nueva Generacion in Tepatitlan, Jalisco. During the shooting, three Jalisco State Police Officers were killed, including the third in command of the Police Department, and three others were injured. Elements of the State Police received fire from a .50 caliber rifle and at least 10 hand grenades, the evidence of one being reported as a "Kingery" grenade. It is also being reported that nine firearms were recovered from the scene during the post incident search. ATF MCO is awaiting further information in order to submit urgent trace requests to the National Tracing Center, as well as attempting to receive more information from contacts within the Jalisco Police Department.

More to follow upon receipt.
