I understand that the frequency with which some individuals under investigation by our office have been purchasing firearms from your business has caused concerns for you. I totally understand and am not in a position to tell you how to run your business. However, if it helps put you at ease we (ATF) are continually monitoring these suspects using a variety of investigative techniques which I cannot go into detail. We are working in conjunction with the United States Attorney's Office (Federal Prosecutors) to secure the most comprehensive case involving the different facets of this organization. If it puts you at ease I can schedule a meeting with the Attorney handling the case and myself to further discuss this issue. Just know that we cannot instruct you on how to run your business but your continued cooperation with our office has greatly aided the investigation thus far.

Thanks again and please let me know how I can be of service to you.

Respectfully,
