Hi Michele,

You are an Angel!

My cell phone battery died early this evening while we were in DC from our country home, so I just got you message now after driving back out. But obviously it worked out at the end... We ended up going to the gate to check in at 6:30pm to just check, in case it got approved since we didn't know, and our name was indeed on the list! ☺ We are very grateful, and God Bless you.

We just got home, and we had a wonderful evening as you can imagine!

Look forward to seeing you very soon. Say when for dinner – we cant wait to see you and catch up and share memories of a true lifetime.

With Love,

Tareq & Michael Salah
