108 E. Prairie

Columbus, WI

Date of Birth March 23, 1943

Got up at 5:30 A.M., started coffee and fixing
my husband's lunch. Walked into the bathroom about
5:40 A.M. I then heard only one sound and thought
nothing more of it thinking Marilyn was probably
up with the baby, or maybe the people up stairs were
making noise. I woke my husband up at 6:10 A.M.
and we left for work at 6:50 A.M.
