I think so, but the timing will be tricky, too. Looks like we'll be able to unseal the Tucson case sooner than the Fast and Furious (although this may be just the difference between Nov and Dec). It's not clear how much we're involved in the main F and F case, but we have Tucson and now a new, related case with RC-5 targets. It's not going to be any big surprise that a bunch of US guns are being used in MX, so I'm not sure how much grief we get for "guns walking." It may be more like, "Finally, they're going after people who sent guns down there..."

Do you think we should try to have Lanny participate in press when Fast and Furious and Laura's Tucson case are unsealed? It's a tricky case, given the number of guns that have walked, but it is a significant set of prosecutions
